PSPA Student Leader Philanthropic Endowment

Established in 2017, the PSPA recognized the hard work and motivation of the PA students in charitable projects outside of the rigorous didactic and clinical coursework. The PSPA set out to reward the dedication of the PA students by making $250 available to up to 6 PA program societies in Pennsylvania per fiscal year, 07/01 – 06/30.

The project will be judged based on creativity, level of collaboration, innovation and impact.

The endowment will be paid to the PA student society following the completion of the application, committing to supplying the PSPA with a short write-up of the event with photos to be included, but not limited to, in the PSPA News, PSPA News Briefs email blast, and the PSPA website, and proof that full-time faculty and students (both 1st and 2nd years) hold equal to or greater than 50% active PSPA membership.
